Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This will ruin an area of beauty. A great open space. The current roads in the area cannot support the volume of traffic that already uses near by roads, this application will more than double traffic causing more pollution more tail backs and damage to already poor roads. The local schools and doctors cannot take anymore people as already over subscribed. The infrastructure is not there for this many more people and vehicles in the area.

Kind regards
