Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Stop putting "affordable" houses in a village which already has enough traffic going through it as it is, the roads are already damaged and we dont need heavy vehicles and machinery making both the road and traffic worse, if you want to build new houses go up north where it's cheaper. School lane is already ridiculously busy, I dont want to think how busy it will be after this pointless project.

Kind regards
