Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Unless you are going to introduce parking permits in Factory Road, the congestion is going to get worse. You introduced restricted parking to stop bus drivers parking near the Northfleet depot, why can't you initiate the same in Factory Road? Should the entrance be in factory road, it'll create far more problems. More cars, lorries and less parking for residents.

Kind regards
