Reasons for comment:	
Comments:	I moved to Zion place almost 4 years ago, and still nothing has happened. All i see is a dump outside my house, which causes litter and cars parked on the double yellow line. I am fed up of living here, what was meant to be an attractive road, has turned into a dump site. If this goes ahead, please give residents, a heads up of the timeframe from start to completion. We can't keep trying to guess or call the council of the latest updates. Furthermore, the site looks like a dump, and the surrounding areas are causing litter to blow into our driveways. How will this be resolved? The council should be clear to residents about the timeframe and next steps.

Kind regards
