Reasons for comment:	
Comments:	I can not see how the local infrastructure can deal with such a increase ofin traffic the roads at the moment are in a really bad condition now,also the the question of access Norwood Lane is to narrow for more traffic. Is there any other places available in Gravesend where you can build a large estate like this. Also there is the impact on the wildlife, where will all the perants park when they come to collect their children?.

Kind regards
