Reasons for comment:	
Comments:	This is going to effect the whole area including us in lstead rise . The main road through meopham village will be gridlocked . It's already busy with Lorrie's cutting through from m 20 to A2 . Why make everywhere like a concrete jungle . Everyone needs some green space around them and not all these cars causing pollution. It will become a cut through when A2 is congested and Norwood lane will become like a main road . Leave the area alone ! Go somewhere that has more space and less disruption on peoples lives !

Kind regards
