Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Loss of habitat impacting wildlife and the environment Leave our beautiful countryside alone keep our trees and landscape Causing flooding risks and drainage issues Huge impact on lanes and roads already impacted by heavy traffic Pollution from cars in congestion build up as extra cars using the roads Local communities already oversubscribed for G.p appointments, hospital's are overwhelmed and can't cope with ever increasing demand Years of construction causing health issues air pollution especially as there are local schools

Kind regards
