Dear Gravesham Planning Team,

Site: 27 - 28 High Street Gravesend Kent DA11 0AZ

I write pursuant to planning application with reference 20200412 and in particular condition 10.

Within three months of the commencement of development full details of both residential and domestic waste arrangements shall be provided (stating the size of the commercial bins, access to the waste and how the waste will be brought to a collection point each week) and agreed in writing by the Local Planning Authority. The agreed waste arrangements shall be implemented prior to occupation.

Please find enclosed the following documents to satisfy the condition:

- 1492-DR300 - Proposed Ground Floor GA - C6
- Fire Strategy Issue 4 Signed October 2025
- GMS Gravesend – Property Management Company Confirmation
- Internal Bin Management Procedure – Fire Approved
- PS HOUSING LTD - New Business - New - Trade - 368986805436

We write to confirm that an approved fire strategy consultant has been consulted with to prepare an internal bin management procedure for the safe handling and correct operation for the domestic and residential bin servicing. This internal bin management procedure has been shared with the property management company who will adhere to the instructions as set out in the internal bin management procedure. The property management company will be responsible to safely taking the residential and domestic bins out ready for collection by a private bin collection company. Once the bins have been collected; bins will be moved back promptly.

Yours sincerely
