**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF REFUSAL OF PERMISSION TO DEVELOP LAND

To: **Mr Martin Foster
C/O Mr Chris McMullon, Sevenscroft Ltd
277 Canterbury Road
Kennington
Ashford
Kent
TN24 9QW**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **REFUSED TO PERMIT** development of land situate at:

**Former Deneholm Surgery
Hunt Road
Northfleet
Gravesend
Kent**

and being **Erection of a second floor extension to provide a new 2 bed flat.**

Your application dated 17th September 2024 is refused on the following grounds:-

1. The proposed development represents overdevelopment of the site by virtue of its increase in scale, excessive height, density and design, and would also result in significant harm to the character of this area, and due to its increased scale on this prominent modestly sized, elevated corner site. The development is therefore considered to be harmful to the character of the area and would as a result fail to comply with the requirements of Policy CS19 of the Core Strategy 2014, and Section 12 of the NPPF (2023), in terms of design, character and appearance.
2. By virtue of the excessive height, poor location and design the proposal would result in harm to the living environments of the neighbouring property. Windows to neighbouring habitable rooms would be significantly overshadowed as well as a sense of enclosure due to the increased bulk and massing. The proposal would therefore fail to provide a high standard of amenity for neighbouring sites which conflicts with the requirements of Policy CS19 of the Gravesham Local Plan Core Strategy 2014 and paragraphs 131 and 135 of the National Planning Policy Framework 2023.
3. The proposal fails to safeguard biodiversity and fails to secure a contribution towards strategic mitigation measures within Special Protection Areas, and in the absence of this contribution or adequate information to inform an Appropriate Assessment. Therefore, the development fails to comply with the requirements of the Habitat Regulations but fails to offset biodiversity loss contrary to Section 15 (specifically paragraphs 185 and 188) of the National Planning Policy Framework (2023) and Policy CS12 of Gravesham's Local Plan Core Strategy (2014).

4. The proposal fails to provide adequate vehicle and cycle parking provision on site. Therefore the development fails to comply with the requirements of paragraphs 114 to 117 of the National Planning Policy Framework (2023), Saved Policies T1 and P3 of the Local Plan First Review (1994) and Policies CS11 and CS19 of the Core Strategy 2014.
5. Insufficient detail has been submitted to allow the full impacts of the proposed development to be accurately assessed in terms of Ecological Impact. The documents provided with the application do not include an Ecological Impact Assessment or a Bat Survey. As such, it is not possible to make a determination as to the impacts of the proposal on ecology and biodiversity. The proposal is contrary to Section 16 of the Nation Planning Policy Framework (2024).

2 STATEMENT OF POSITIVE AND PROACTIVE APPROACH TO DECISION-MAKING

In accordance with Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended), and paragraph 38 of the National Planning Policy Framework (NPPF) 2023, the Local Planning Authority has approached the assessment and determination of this application in a positive and creative way and, where appropriate, has worked pro-actively with the applicant to secure a development that is sustainable and that improves the economic, social and environmental conditions of the area, and that is in accordance with the Development Plan for the area. In this instance the application is not in accordance with the Development Plan for the area and cannot be supported.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**
<https://www.gov.uk/appeal-householder-planning-decision>
<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- an application for change of use;
- an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
