Reasons for comment:	
Comments:	I object wholly to the change of use on this site. Doing so will mean the downfall of the site and the local area. The change would not be in keeping with the local area, it would be an eyesore and stick out like a sore thumb. Due to the amount of people that would be on the site, noise would increase, rubbish would increase which would lead to vermin. Crime in the local area would increase as travellers are notorious for their crime. Unfortunately if any of these issues did occur, the police would not be affective in dealing with them. they are scared of travellers.

Kind regards
