Reasons for comment:

Comments:	<ul style="list-style-type: none">- Additional impact on existing infrastructure with increase in traffic / population- Major impact on local schools , GP surgery , public transport- impact on wildlife , pollution and noise <p>A227 is extremely busy already with any minor stoppage / traffic lights / broken down car causing huge amount of queuing traffic and grid locked side roads</p> <p>-Difficult to enter A227 at a lot of time during the day without addition of extra traffic from new developments and new entrances .</p> <p>-History of traffic incidents on A227 and this stretch of road, hence police regularly station police camera van in the vicinity of proposed development</p> <p>- If this proposal did go ahead it could set a precedent for further developments which would have a devastating impact on local area</p>
