Reasons for comment:

Comments:	<p>This proposed development is totally inappropriate for this area, and I object for the same reasons given by the other objectors.</p> <p>It will result in:-</p> <ul style="list-style-type: none">*Additional impact on existing infrastructure. The increased road traffic will add more hazards to what is already a very busy road and endanger more lives.*Impact on schools; GP surgeries; public services which are already over subscribed*Increased floods to roads as a direct result of building on green belt land*Impact on wildlife, noise and habitats <p>Blackthorn Farm is rich grazing land, not scrub land, thus green belt not grey belt.</p> <p>The purpose of Green Belt is to check urban sprawl by keeping land permanently open, preventing towns from merging, and safeguarding the countryside from encroachment.</p>
