Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I support this planning application but would like to see the proposal for the shared downpipe as this currently soaks away into the soil. The fronts of our properties are prone to flooding during storms when the nearby drainage gulleys become blocked. The water dissipates across our front gardens - what would be the effect of the extension on future flooding?

Kind regards
