Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to object as this will affect us with an increase in size of garage with roof enabling bedroom above. Also this now adds a window directly facing [REDACTED] which on original plans did not have [REDACTED] over looked. If this is allowed they will then go on to convert the garage into living accommodation. The property is already extremely large and should not be allowed to extend further. We can see this side of property from [REDACTED] house and was excepting it but with a window although in roof space will mean they can look directly into [REDACTED] home and this is detrimental to our privacy.

Kind regards
