Reasons for comment:	
Comments:	I don't see what the big fuss is all about I'm a local neighbour and been here for many years and had no issues with anyone it's irrelevant if they are travellers or non travellers they are making a home for there family I've never had issues with any travellers who live in the local area they are kind and friendly just people need to stop making assumptions about people with different cultures we are living in 2026 which things have changed

Kind regards
