## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>This development will add significant numbers of cars into narrow country lanes with dangerous access.</p> <p>This will put strain on already overstretched utility infrastructure like water pressure which is already low in the area.</p> <p>This will also put strain on public transport in the area, limited bus service and trains overcrowded during peak time.</p>

Kind regards
