Reasons for comment:

Comments:	<p>This development would result in the unrestricted sprawl of a built up area with inappropriate encroachment into the countryside. It would lead to the loss of the special character of the village.</p> <p>There is inadequate public transport provision with risk to highways and pedestrian safety, increased traffic congestion will generate unacceptable levels of noise and pollution.</p> <p>Additional strain on already overstretched GP and NHS services.</p> <p>This is greenbelt land which has not been released from the Greenbelt boundary.</p> <p>This is a large farmland site fully used for food production.</p>
