Reasons for comment:	
Comments:	<p>This is high grade farm land which contributes to food production.</p> <p>This development would cause the unrestricted sprawl of a built up area with inappropriate encroachment into the countryside. It would lead to the loss of the special character of the village.</p> <p>There is not the infrastructure to support this development, with inadequate public transport provision with risk to the narrow country lanes that are already congested at peak times. Danger to pedestrians, unacceptable noise and increased pollution.</p> <p>This is greenbelt land which has not been released from the Greenbelt boundary, this is also a buffer between Meopham and Sole Street.</p>

Kind regards
