Reasons for comment:

Comments:

I formally object to the planning application referenced above for the proposed building of 120 new houses on land adjacent To Longfield Road Meopham Gravesend Kent. DA13 0EW

This application highlights a blatant disregard for an increase of road traffic along Longfield Rd when Meopham school children are arriving and leaving the premises. It would seem that highway safety is to be compromised?

I am further concerned that local infrastructure is being pushed to the absolute limits here. Waiting times at the Meopham medical centre are already a bad joke !

I urge the Council to refuse this application.
It fails to address these issues, and will have a severe detrimental impact on safety and the quality of life for existing residents.

Yours most sincerely

Kind regards
