Reasons for comment:	
Comments:	<p>This site is of high grade farm land, farmed for centuries.</p> <p>Longfield road is extremely narrow and highly congested at peak times including school start and finish.</p> <p>This development would cause the unrestrictive sprawl of a built up area with inappropriate encroachment into the countryside. It would lead to the loss of the special character of the village.</p> <p>There is insufficient infrastructure to support this development.</p> <p>It is greenbelt land which has not been released from the greenbelt boundary.</p>

Kind regards
