Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object as I understand there is another application to going to be submitted for Norwood Lane North which will devastate a lovely lane and a beautiful part of Meopham. Importantly we cannot be building on good agricultural land as this is much needed for food stainability as we rely to much for food abroad. We need our fields and woods for wildlife and open spaces for peoples well being. Brown sites should be built on 1st and Gravesham have so many. All services will not cope and the overall impact of the 3 applications plus probably another one to come must be taken into consideration. So I strongly object to this application

Kind regards
