Reasons for comment:	
Comments:	Green belt land should never be used when there is lots more land .Basically never .The smell from cars ,the cars tractors etc,all of these, would at school times and encroach on present traffic .Its an accident waiting to happen. The RD is far too small. adding more would be a death trap.At present its nearly impossible to get across the road. The traffic using a227 cutting through is dangerous when on the rd ,its noisy smelly and dangerous. It becomes grid locked and there you sit.Its a rural village .Also its a field.we eat what is produced in the fields. The people of Meopam do not wish to have more cars etc,on whats counted as Green belt land.

Kind regards
