Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object because the A227 is at capacity and cannot cope with anymore traffic and with the new crossing coming it will just be gridlocked with traffic cutting through. This road is full of parked cars for the schools/nurseries at certain times and potentially a bit of a black spot. This is next to a conservation area and the farm land is fully used for much needed food production. I understand that Gravesham has enough brownfield on GBC register for 3,000 houses and a very substantial amount of money was put aside to rejuvenate these areas!!! But nothing todate!!. Brownfield must come before greenbelt/farmland/greenfield. Greenbelt laws were put in place to protect wildlife habitats urban sprawl and villages joining up. So I strongly object to these plans.

Kind regards
