Reasons for comment:	
Comments:	This is a very busy road and there is no viability to turn out of shops with cars doubled parked. Lots of accidents. Also lots of large hgv using as cut through between m20 and a2 causing major traffic jams and pollution. 700 houses will led to more traffic and make it dangerous. The buses are very limited and everyone in this area will definitely need a car. Most houses will have 2 or 3. We need these farm fields to grow fresh food especially in global war times.

Kind regards
