Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	150 houses - potentially 300 cars + delivery and services vehicles
	Dangerous vices for cars on what it is- especially a tiny rural lane
	High grade farmland which contributes to food productions- we should beware of increasing food imports
	Greenbelt land
	It will become gridlocked
	The Thames crossing will increase traffic using the A227
	Buses and trains and already limited
	Potential increase in population of meopham by 1/3
	Passions strain on already overstretched GP and NHS servicesx

Kind regards
