Reasons for comment:

Comments:	<p>I would like to object to this building development in Meopham . By building 350 houses this will create about another 700 cars on the road and the roads are already really busy . The parade of shops opposite is an accident black spot already , with bad accidents already happening without another load of cars on the road . It is also opposite an infant school with lots of children about making it so dangerous plus the school can't cope with anymore children. The Wrotham Road is already full of cars at school times with Meopham secondary school just up the road as well . This will make the road so dangerous . This is also farmland which should not be used we need all the farm land we can get not building on it . The parade of shops is such a busy area and should not have loads of house built opposite . Meopham is going to be ruined as a lovely village if this goes ahead we need to keep our lovely villages as they are .</p>
