Reasons for comment:	
Comments:	To plan an estate with a single access road does not cater for the most rudimentary requirement of either delivery vehicles nor of emergency or public transport vehicles. This new scenario is os course being ADDED to an already overcrowded traffic flow that is close to gridlock twice a day. Expanding the villages housing and population and is fine IF it is done with a proportional expansion of associated amenities such as schools, hospitals, day care, police, fire & rescue, ambulances waste collection..... And the list goes on

Kind regards
