Reasons for comment:

Comments:	<p>I believe this development should not go ahead, my reasons are as follows.</p> <p>The surrounding roads are already over capacity. At rush hour the traffic backs up a long way, especially on Green Lane and Camer Road. The local lanes already gridlock quite often as it is. These extra houses will also add to the pollution in the area.</p> <p>The character of the area would be spoilt, along with loss of green areas which support local nature. The local wildlife will be badly affected by this.</p> <p>These fields being built over may cause drainage issues and could present a flood risk to the surrounding existing houses.</p> <p>The local facilities are already over capacity, they couldn't currently support extra houses.</p> <p>Please don't go ahead with this.</p>
