Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Myself and my fellow neighbours who live in very close proximity to this project would like to know the following matters regarding the building of these buildings. 1) How would emergency services access the area if needed, in particular the fire brigade and ambulance services? 2) How will the refuse be collected as there is no road access to the area for large vehicles like vans or lorries ? 3) Are there going to be surfaced road built as currently there is dirt and overgrown foliage tracks only which are very narrow ?

Kind regards
