Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	With only 46 national Landscapes in the U.K., to destroy one of these rare and treasured areas of AONB by the siting of the proposed industrial unit in application 20240544 will not only be damaging to the physical and mental well being of nearby residents, but represents the thin edge of the wedge in the elimination of such areas and the wildlife it supports. Moreover, local businesses will be adversely affected by a reduction in visitors to the attractions of such AONB's. I therefore support completely the objections made by Cobham Parish Council to the application in question.

Kind regards
