

20250105 24 February 2025

We have received the above planning letter. 27 Brenchley Avenue, DA11 7RG.

When our old neighbours sold the property, she mentioned that they had sold to developers.

We have had no contact with the new buyers.

Looking at the layout, my concern is that this could potentially be a HMO. Where do we stand with this if after approval this property is turned into a HMO?

Regards,
