Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	If the notice has ten more days to run to attract comments and the application has not been approved, why have they already partially demolished the property? Also, I thought noisy works are restricted to 8am --8pm; these guys start much earlier. Also, they are cavalier about blocking the road when it suits them and using the double-yellows even when not actively loading / unloading. They seem to try and sweet-talk the parking enforcement officer (it's a residential permit area); I hope they fail in that. Not your department. All in all, a bit (a lot) p*k*y in their attitude to the community. Whether that is the new owners or just their chosen builders, I don't know.

Kind regards
