Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Neither my wife or I agree to this application. We have enough fly tipping events and other rubbish deposited around the Crescent as it is, and the council take forever to clear it. We do not wanted it added to. The council never check the area for overgrown gardens or hedgerows blocking pathways .We expect that there will be no regular visits to check on the occupants of the pods or the nuisance of any kind caused by them, regardless of what the council may claim.

Kind regards
