Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	It would be a an absolute travesty if the decision makers were to allow this to go ahead. They would be changing the entire landscape of Meopham and I think it's easy to say not for the better. Wrotham Road is already a extremely busy road (both ways) during rush hour and adding more cars & residents to this would be a nightmare... Finally Meopham and surrounding areas are beautiful areas to live and visit, again having this go ahead would take the heart and soul out of Meopham and surrounding areas. I hope the decision makers can see this and make the correct decision in not destroying what is a beautiful and peaceful place to live.

Kind regards
