Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object on the grounds that we do not have the infrastructure to support 50 houses which means at least 100 more people. The school is too small. The roads are too small which ever way to go. We do not have a doctors surgery. The bus links are erratic at the best of times so really means you need a car to get anywhere

Kind regards
