Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Loss of green belt land. The applicant has no respect for the local environment as show by chopping down trees and hedgerows that don't belong to them in the middle of the night to place these 'mobile' homes. Can we all buy greenbelt land for pennies on the pound of buildable land now and place homes on them. No respect for the law.

Kind regards
