Reasons for comment:	
Comments:	<p>I wish to object to this application due to the road structure in place to support the additional vehicles that would be using the surrounding roads. I also believe that there are insufficient public amenities such as doctors surgery it's already very difficult to get to see a doctor when needed due to the number of patients. Meopham was always a lovely area to live due to the amount of green spaces and walking available and the building of this site and no doubt many more should planning permission be granted will change the whole landscape and make Meopham yet another large estate like Gravesend has become. Our villages need preserving otherwise soon there will be no countryside left for people to enjoy it will all be one massive concrete site.</p>

Kind regards
