This site is in our Local Plan as Greenbelt designed to maintain the distinctiveness of rural and urban areas to stop urban sprawl.

Meopham will loose it's open character and unique historic features, it is slowly turning into a town. The current services cannot keep up with population as it without several hundred new persons moving in. Roads, doctors and schools are at breaking point. Local water constantly puts us on hose pipe bans but have no provisions for extra reservoirs ?.....

The loss of Agricultural Land is not good sustainable practice; we need food security.

Increases in traffic will impact on vulnerable students at Helen Allison School and Meopham Primary School.

The A227 is at capacity.

The site opposite Camer Parade has a proposed entrance between Green Lane and the Parade; this is dangerous; poor sight lines and existing safety issues.

Kind regards
