Reasons for comment:

Comments:	<p>This application cannot be treated in isolation, it must be viewed cumulatively with the other submitted applications in meopham.</p> <p>Traffic is currently a nightmare as it is getting onto Wrotham Road. Getting out onto Wrotham Road from Longfield Road is dangerous, particularly turning right. The impact of the volume of cars on surrounding roads to Cobham and Shorne would be detrimental, the roads are not built for the significant volume increase these developments would have.</p> <p>The loss of green belt would be harmful to the characteristic of meopham, which local people pay a premium price and council tax to enjoy.</p>
