I wish to object to planning application number **20251233** for the reasons stated below:

Istead Rise is already full and we can never get a doctors appointment because they are busy. With another 150 homes we stand no chance. Congestion on Downs Road with the school is already bad. Having lots more cars trying to access their houses will be impossible.

This is Green Belt land and should remain Green Belt.

Children should be able to see green fields in their life-time!!

Public transport isn't good and for older people living on the Estate and reliant on it will be unusable for more public to use. Darent Hospital can't cope now so adding to its pressure isn't a viable consideration.

This plan isn't viable and myself and husband totally disagree with it!!!!
