Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Is this really suitable for a family to live in? It's really just an outbuilding even though there is running water. What happens in the Winter? Will there be children living here too? Surely it can't be right to house children like this in this day and age. Plus with this comes parking of a big truck, this has already caused a few arguments in this small Close.

Kind regards
