Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object as the proposed building is far too big and tall to fit the end of a garden. The drawings show it level with the path but the garden is at least 2 feet lower, which would mean the back of the property would be too high and overlook existing properties, plus it is far too close to the next door neighbour. Also the parking in the area is at full capacity.

Kind regards
