Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	The works for this application are well underway, if not nearing completion! There has been convoys of builder's merchant lorries delivering and fully loaded skips being removed. You can see the rear of the property from an adjacent road that there is an extension newly built. My concern is that this is a potential HMO, can this be monitored, also the question of how it can be built before permission is granted.

Kind regards
