Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This application has already been refused both on appeal and at public enquiry by the traffic commissioners. The area is green belt and the access road is totally unsuitable for a business of this nature. The previous nursery was in keeping with the land and caused no problems to neighbours or road users. This proposal would be the tip of the iceberg if it was allowed and would see a return of heavy goods vehicles using the access road and site.

Kind regards
