Reasons for comment:	
Comments:	<p>I object to this proposal. We live in the countryside for a reason and that is to be as rural as possible. We don't want more vehicles on the roads or more noise pollution or air pollution or people clogging up the schools and doctors' surgeries. Our main road is busy enough, it will be unbearable not only during rush hour but whenever they decide to close it for road works. The lanes are gridlocked already when this happens. No one will be able to leave their houses.</p> <p>Also, I thought all this land was Green Belt? Why is this fact being ignored? Just so money can be made? I also understand that flooding will be a concern as you intend to concrete over the current drainage site for parts of Culverstone. We need to keep this area as it is, we want to live in a village not a town.</p>

Kind regards
