Reasons for comment:	
Comments:	There is a general shortage of housing in the locality, especially small affordable bungalows, especially for an aging population. Its close to Sole Street railway station providing easily accessible public transport. Other residence in the locality have sold off part of their rear garden for housing, supported by the Parish Council, recently in Manor Road. The proposed new build is sympathetic to the current adjacent housing stock in the area both size and design. It will complement nearby properties.

Kind regards
