Reasons for comment:

Comments: We own [REDACTED] the house [REDACTED] to the Moorings, we have a [REDACTED] [REDACTED] with the Moorings to both houses. Objections to the build on the Moorings are as follows. 1 The project will ruin the look of the house as a whole, the house is old, not modern 2 The Dormer window to the front roof is very large, and very close to our bedroom window, thus stopping sun light and light to the room. 3 The extension to the back is higher than the conservatory and close to our fence, and our conservatory, making privacy an issue. 4 The Mooring has previously had a loft conversion with a large Dormer window to the back roof, taking any privacy away from our garden, as it overlooks the whole area at the back.

Kind regards
