Reasons for comment:	
Comments:	I fully support the proposal to open another local mosque in Gravesend. Since moving to this country and settling in Gravesend in 2016, I have witnessed the town grow into an increasingly diverse and multicultural community. A new mosque would not only serve the spiritual and communal needs of local residents, but also foster unity and mutual respect among people of different backgrounds. The proposed building is situated conveniently opposite my in-laws' home, making it an accessible and valuable addition to the area. Establishing another mosque would reflect the inclusive nature of Gravesend and contribute positively to its social and cultural fabric.

Kind regards
