Reasons for comment:	
Comments:	Whilst planing permission has not been granted and its going to a public meeting, another touring caravan has been put on the land next to the container. I dare say additional caravans will be added before the meeting as well, this is a blatant disregard for any authority the council have and shows no matter the outcome of the meeting in June, the gypsies will do exactly what they want. Will you be looking into this or just disregard the information given and do nothing

Kind regards
