Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object this. Wrotham Road in this area does not have the ability to maintain the traffic that a McDonald's will create here.

If McDonalds also include a drive-through, it will create a huge backlog of traffic towards the town centre from a main road deterring visitors from going to the town centre as they will not want to go through the traffic there.

The building also overlooks a children's playground this encouraging unhealthy eating and habits for children as it is so conveniently located.

This area of Wrotham Road will cause many backlogs at an already congested area of Gravesend.

Kind regards
